

Belmont Historical Society Historic House Plaque Program Application Form

To recognize the historic structures in our town the Belmont Historical Society establishes a historic house plaque program enabling property owners to purchase plaques that identify the historic name and construction date of their historic home. Property owners interested in participating in the historic house plaque program must complete and submit an application form.

Houses included in the inventory of historic resources kept by the Massachusetts Historical Commission are eligible if they retain integrity of original construction. Buildings not included in the inventory may be eligible if they are at least 50 years old, retain integrity of original construction, and a chain of title summary documenting the ownership history of the property is included with the application form.

Plaques will be distributed twice every year at the Belmont Historical Society's annual meeting in May, and in December.

Name: _____

Address: _____

Telephone & email: _____

Address for which plaque is sought: _____

Building Name: _____

Construction Date: _____

Please Attach:

Copy of the Massachusetts Historical Commission Inventory form for the property (on file at the Belmont Historical Society) or chain of title summary.

Current photographs or digital images of the front and side elevations of the building.

P.O. Box 125
Belmont, MA 02478

All program participants are responsible for the installation of the plaque on their property. Participation in this program helps to support programs at the Society, provides information about the town's architectural and historical development, and builds a sense of pride in our community. The Belmont Historical Society is a non-profit organization and is not responsible for any losses or damages that may result from participation in this program.
